About Me

I'm Anshika Singh, a passionate web developer with practical experience from an internship at N.ishu Digital Solutions. Skilled in HTML, CSS, and JavaScript, I'm eager to build responsive, user-friendly websites and grow as a full-stack developer. I enjoy solving problems through code, learning new technologies, and exploring how AI can enhance web experiences. Excited to contribute to innovative, AI-integrated, and collaborative development teams.

WORK EXPERIENCE

April 2025 - June

N.ishu Digital Solutions

Web Developer Intern

- Assisted in designing and developing responsive websites using HTML, CSS, and JavaScript, while collaborating on UI/UX designs through Figma to ensure visually appealing and user-friendly interfaces.
- Explored and implemented AI-based tools to enhance website functionality, streamline development workflows, and improve user engagement.
